

ETIMEX GAINS ANOTHER TOP POSITION WITH ECOVADIS

FRONT RUNNER IN TERMS OF SUSTAINABILITY AND CSR

Compared to all companies evaluated by EcoVadis, ETIMEX Primary Packaging GmbH ranked very high again and won the silver label in 2022. "You are a front runner in terms of sustainability", the EcoVadis team confirmed.

EcoVadis allows companies to measure the performance of their suppliers with respect to sustainability across 150 areas and 110 countries. The purpose is to evaluate the quality of the CSR management system of a company based on its guidelines, activities and results. ETIMEX regularly undergoes CSR audits to have its commitment with respect to sustainability tested on a regular and independent basis. The evaluation focusses on twenty-one CSR criteria divided into four subject areas: Environment, labor and human rights, ethics, and sustainable procurement. For several years now, ETIMEX has reached top positions for responsible action in the areas mentioned.

EcoVadis evaluates according to the norm ISO 26000 that defines the guidelines for an organization with respect to the transparent and ethical behavior for society and the environment in connection with its business activity:

- > Making a contribution to sustainable development, including the health and well-being of society
- > Consideration of the stakeholders' expectations
- > Compliance with applicable law and international standards of conduct
- > Integration of the guidelines within the complete organisation and in its business relationships

The core areas listed in ISO 26000 are:

- > Human rights
- > Working conditions
- > Environment
- > Ethics
- > Sustainable procurement
