Health is an important topic during these times and solidarity is very important to us. Since many years ETIMEX is supporting "Radio 7 Drachenkinder" and we keep supporting this project for this year as well. The Radio 7 "Drachenkinder" campaign mainly helps children and young people from the region who have endured a lot of sorrow and are traumatized.

ETIMEX would like to take the opportunity to thank you in particular. We are pleased to collaborate with you as a reliable customer and partner, especially in current challenging times for all of us.

We wish you and your family a Merry Christmas and a prosperous New Year.
